I looks like Avi's meeting with Public Justice will be scheduled for next Friday, April 3 at 2 pm. A meeting invitation will be sent when this gets finalized. We're planning a pre-briefing for Avi on Thursday April 2 at 9:30.

I and my colleagues will be working with Region 3 and the people cc'ed on this email to prepare briefing materials. For those of you who may not have the letter from Public Justice requesting the meeting, it is attached.
